†St. Katherine's Day School has been in our neighborhood on Bowman Avenue since 1955. It is a special education school that serves students with multiple impairments ages 4.5 through 18 years of age. St. Katherine's allows us to host our monthly civic meetings at their school. Donations for their field day are a nice way for us to say thank you. They always appreciate the neighborhood's generosity.

***If it is raining at 3pm, the picnic is cancelled.**
